A PCE and EPC webinar for the
**2025 World Pancreatic
Cancer Awareness Month**

This event is supported    

Dear everyone,

PCE, in collaboration with the European Pancreatic Club (EPC), invites you to join a special World Pancreatic Cancer Awareness Month webinar exploring the essential role of clinical trials in advancing treatment innovation and improving outcomes for people affected by pancreatic cancer. It will take place **online on Thursday, 27 November 2025, from 15:30 to 17:00 CET**.

Through insights from leading experts, healthcare professionals, and patients, the session will demonstrate how participation in clinical trials offers hope, drives medical progress, and shapes the future of pancreatic cancer care.

Save the date and register [here](#), **by 27 November 2025 at 12:00 at the latest** to secure your place. The full programme will be shared soon.
