

EPC Committees – Open Calls

Background

As the EPC grows and embarks upon an increasing number of important projects, the EPC leadership has recognized the need to organize our work in a more structured and efficient way, while creating opportunities for EPC members to become more directly involved in and contribute to our society.

In January 2024, the Executive Committee decided to establish four committees. These were tasked with specific responsibilities designed to add value for EPC members and make the EPC more successful as a whole.

All EPC committees are made up of EPC members who report directly to the EPC Executive Committee and the EPC Council. Currently, some committee positions are vacant and we would like to fill these as soon as possible.

We are looking to fill the following roles as of April 1st, 2025

Education Committee

- Chair (1)
- Members (3)

Research Committee

- Vice Chair (1)
- Members (2)

Public Affairs

- Vice Chair (1)
- Member (1)

If you are interested in applying, please be aware that participation in a committee requires a certain time commitment. This involves regular meetings (usually quarterly, but can be more often) as well as ongoing project work throughout the year.

The time commitment and workload is even greater for committee chairs.

The term is 24 months (April 2025-April 2027) for these new positions. Terms can be renewed one time.

How to apply

Are you interested in joining an EPC committee? If so, please submit an application.

Applications should not be longer than two pages in length, and saved as a PDF.

They should include:

- The role you are applying for
- A brief motivation statement, including why you believe you are well-suited for the role and how you can contribute
- Relevant experience and skills

Please note that you must be an active EPC member to apply.

Please send your application to the EPC Office at info@europeanpancreaticclub.org

Deadline for applications: Friday, March 7th, 2025 EOD.
